

*The Penn State World Campus Student Government Association  
Assembly Resolution 2301*

***Prescribed Goals of the Association***

**Whereas,**

The World Campus student body at Penn State is incredibly diverse and unique to the traditional student. Simultaneously reporting from all corners of the globe, our student body faces an array of challenges and opportunities throughout their academic careers.

**Whereas,**

Penn State stands as a powerful educational institution throughout the world. Through its' elite reputation of; academic rigor, research excellence, entrepreneurial spirit, and its' deeply distinguished and proud Alumni Association, Penn State provides its' students with world class opportunity.

**Whereas,**

It is incumbent upon the students to speak out to better their University, and from time to time challenge the status quo. Such students are a crucial part of the shared governance chartered in the heart of Penn State, and must organize accordingly to work to end any disparity between residential and World Campus student experiences.

**Resolved,**

**This Assembly hereby grants authority of the Executive Board to; represent, execute, and finance their prescribed goals with the best interest of the World Campus Student Body in mind. This Assembly hereby allows the Executive Board to state these goals openly and transparently as an official agenda for the Fifth Assembly of the Penn State World Campus Student Government Association.**
