## Press Release

### Subject: Roe v. Wade Overturn

Tuesday, June 28th, 2022

WCSGA would like to recognize that Penn State World Campus students come from all over the world, and in turn, all over the United States. With the controversial Supreme Court overturn of Roe v. Wade, the World Campus Student Government Executive Board would like to acknowledge how this will affect our student body all over the country. We understand the mixed emotions running through our nation; this is a landmark decision that will have rippling effects for a long time to come.

#### **WCSGA stands for the protection, freedoms, and rights for women's healthcare and interpersonal decisions.**

We will be advocating for World Campus to expand student services to include healthcare assistance and guidance for students who might not live in an area where that is provided. WCSGA will continue to support our students and their personal freedoms.
